

## Breakout Sessions Informational Sheet

Thursday, June 13, 2019

### **INDUSTRY INNOVATION CHALLENGE** | *American Savings Bank*

The Industry Innovation Challenge showcases real-world industry/community issues/trends supported by computer science concepts. The session aims to encourage teachers to design an innovative unit of study to utilize with students to address the challenge.

HSSC Hosts: Judy & Angelica

---

### **FINANCIAL WHEEL OF FORTUNE!** | *HawaiiUSA Federal Credit Union - Cary Miyashiro, Community Outreach and Business Development Officer*

Going to the best college, landing that dream job, driving the fanciest sports car or traveling the world may seem out of reach. Don't just spin the wheel and hope for the best. Financial responsibility can help you design a plan that's right for you. This session is sure to help you find ways to navigate your path to the future.

HSSC Hosts: Eiren & Diesel

---

### **The VOICE - IT'S YOUR CHOICE** | *Daniella White, 2019-2020 BOE Student Member*

You have a choice to use your voice! A purely student-run, student-led discussion by the incoming and outgoing student member on the Board of Education on topics surrounding student and youth issues.

HSSC Hosts: David Texeira, BOE 2018-2019 & Daniella White BOE, 2019-2020

---

### **MAD LIBS - SHARING YOUR COUNCIL STORY** | *Zachary Espino, HSSC Digital and Social Media Specialist*

Your council story shouldn't be a Mad Lib. As student leaders you can promote your school and community in positive ways. It is important for your organization to share the amazing work happening everyday through school events and other opportunities. This session will help you learn more about how to use social media to help leverage your student councils digital and social impact.

HSSC Hosts: Alex & Kaleb

---

### **CYBERPATRIOT MASTERMIND!** | *Erika Ramirez, CyberPatriot School Ambassador*

Break the code! Come and experience a sampling of the nation's largest cyber defense competition that puts high school and middle school students in charge of securing virtual networks. In this session you will be inspired by the innovative strategies and ideas that come from careers in cybersecurity or other science, technology, engineering, and mathematics (STEM) disciplines critical to our nation's future.

HSSC Hosts: Luke & Christine

---

### **CONCENTRATION CAFE** | *Teach For America - Stephanie Shipton, Director, Early Engagement and Strategic Initiatives & Lindsey Bailey, Teach For America, Hawai'i Region*

Have you ever had a wonder, a reason or a passion? Wouldn't it be great to be around others like you and be in a place where you can discuss freely, generate ideas, advocate for what you believe in and maybe design a plan for action? This session will help you through a process that will organize your thinking and further your ideas.

HSSC Hosts: Julianna & Aubrey

---

### **JENGA: LEADERSHIP SUMMIT - BUILDING YOUR SCHOOL FROM THE GROUND UP** | *Kara Yoshiyama, Hawaii State Student Council Chair*

Creating a culture of In this session, participants will learn the skills and leadership methods to be a successful President at their school or for their class.

HSSC Host: Jett

Subject to Change

---

**LEADERSHIP MANCALA- INNOVATION BY MOVING FORWARD IN LEADERSHIP** | *Trevor Tamashiro, School Environment Committee Chair*

We all have problems to face in our lives, but we do not know how to tackle them. If you want to learn a strategy to tackle issues or problems come to this break out session - those who participate will learn about the design thinking process.

HSSC Hosts: Breeze & Erin

---

**CONNECT 4 - A LEADERSHIP CHALLENGE** | *Student Activities Coordinators and Alumni students*

In this session, participants will get to explore leadership options that they can implement at their schools. Participants will engage with *Student Activities Coordinators and Alumni students* who have achieved National Gold Council of Excellence Award or the Hawaii OSCAR Awards. Leaders will gain insight to creating a successful year while connecting to the four NatStuCo pillars.

HSSC Hosts: Jessica & Kulia

---

**GUESS WHO? CAN SPEAK UP** | *Anuhea Breeden, Hawaii State Student Council Secretary*

Should 16 year olds be allowed to vote? Should the state ban the usage of flavored vape? As future leaders of Hawaii, we should be engaged in topics that are related to our age, and take risks in terms of leadership skills. Let's talk about it and find a way to take positive solutions back to our communities.

HSSC Hosts: Jack & Alyssa

---

**SCRABBLE - SPELL LEADERLY** | *Katrina Abes, UH West Oahu Student Affairs Director, College Success Advising*

In this session, participants will look at how they can use themselves and take leadership action regardless of position. Rack up your letters to spell out L-E-A-D-E-R and make you own definition.

HSSC Hosts: Sasha & Maryconchitaluz

---

**OWNERSHIP LEARNING - MARIO KART DON'T RACE THROUGH LIFE** | *Drive Program for Pre-Teens, Moorshine Group*

Attitude is everything. Good leadership should be prevalent in anything you do and that includes safety while driving. In this session participants will learn about vested interests in activities, drawing conclusions, self-control and decision making.

HSSC Hosts: Christine, Jasmine & Fernanda
